

## 2009 Coastal Legacy Workshop

THEME: Impacts of Growth & Development on Coastal Wetlands

### Who can attend?

ALL formal & informal educators from Georgia, South Carolina, and North Carolina

### Where is the workshop?

Honey Creek Camp & Conference Center in Waverly, Georgia

Participants receive meals, lodging, PLU credits, stipends, and much more!

### When? June 15-20, 2009

### What do we do?

- INTERACT with state and federal agencies conducting coastal research
- LEARN activities based on NSES to take back to your classroom or facility
- MEET fellow teachers from GA, SC, & NC that are excited to learn about estuaries, tidal creeks & human impacts on the coast
- RECEIVE posters & teaching materials to incorporate into your classroom or facility.
- EARN PLU CREDITS TOO!

### How do I apply?

Complete an application packet, available at <http://www.scseagrant.org/se-cosee>

Submit application packets to:  
Angela Bliss, COSEE SE Education Specialist  
912.598.2387 OR [acbliss@uga.edu](mailto:acbliss@uga.edu)

Application deadline is March 27, 2009

*Why are wetlands important? Come, How do I impact estuaries?*  
*What's an invasive species? Learn, & Experience: What does HAB mean?*  
*How are inland cities connected to the coast?*
